

main

```
graph LR; main[main] --> Simulation[Simulation::set_boundary_type];
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'main'. The right box is gray with a black border and contains the text 'Simulation::set\_boundary\_type'. The arrow points from the right side of the 'main' box to the left side of the 'Simulation::set\_boundary\_type' box.

Simulation::set\_boundary\_type
